Dr. Milbank is a native of Canada. He practiced in Spokane, Wash., until approximately seven years ago, at which time he and his family moved to Redlands, Calif. Since establishing residence in Redlands, he has become active in professional as well as civic organizations, Boy Scout work taking up a great portion of his extra time. His work as a member of the Safety Council has been noteworthy. The people of Redlands, in appreciation of his outstanding civic contributions, last year named him "First Citizen of Redlands." Dr. Milbank has been a member of the Board of Regents of the California Chiropractic Educational Foundation since its formation, became its chairman in 1948, and has continued to hold that office. In addition, he is now president of the Los Angeles College of Chiropractic.
