- 1917: in California: "The Alameda County Chiropractors' Association, organized in 1917 by Dr. **James Compton**, adopted a constitution by which its members were required to go to jail rather than pay a fine. The association was advised by **Tom Morris**, chief counsel of the **Universal Chiropractors' Association**, and former lieutenant governor of Wisconsin, that it was illegal to maintain a constitutional decree against paying a fine, but the officers of the Alameda association would not revise the ruling. This organization became the hotbed of agitation..." (Turner, 1931, p. 126)

- 1924 (Aug): **Bulletin of the ACA** [1(3)] notes:  
-**J Lewis Fenner** DC, Sec'y of **ACA** and Editor of the **Bulletin**, prints lengthy reply to Dr. Malpas, including: "Let me say that everyone finding himself in the toils of the law will depend upon political pull and legal friendship and fraternalism and almost everything else to get him out, in so far as he is permitted by the court to do so. My point is that a local attorney, well acquainted with the court before whom he is practicing, and thoroughly familiar with the local procedure can make these things many times more valuable to his client than an outside attorney will find it possible" (p. 8); "outside attorney" probably refers to **Tom Morris**  
-"MALPRACTICE SUITS are on the increase, according to Hon. **Tom Morris**, National Counsel for the **UCA**. In all probability they will grow in proportion to the number of successful convictions. **Convictions are likely to be increased owing to recent statements made by Secretary Palmer of the UCA and Dr. James Greggerson, expert witness and editor-manager of the UCA in support of the sale of the Neurocalometer.** The things they say we have been guilty of in the past and the danger of adjustments given without the aid of the new machine are likely to prove embarrassing in future trials in damage and malpractice suits. Moral - secure at once protection against these damage and malpractice suits. The **ACA** is abundantly prepared to protect you." (p. 10)
- 1924 (Sept 6): **FHN** [14(1)] notes:  
-**PSC** publishes book by **Arthur T Holmes** Esq (endorsed by **Tom Morris**), entitled **Malpractice as applied to Chiropractors, Volume 17, The Science of Chiropractic Library**; Chapter 6: "Liability for Mixing Other Sciences with Chiropractic" (p. 13)
- 1924 (Nov 1): letter from Geo A Karcher DC (Ratledge grad and "charter member of Michigan Branch of the **UCA**) of Cadillac MI to TF **Ratledge**; notes he was recently released from jail and **Tom Morris of UCA** advised against appeal (Ratledge papers-SFCR Archives)

1925 (Aug?): concerning leadership of **UCA**: "Tom **Morris**, of LaCrosse, was engaged as counsel and Dr. Palmer as secretary, and both continued in office uninterruptedly until the **tempestuous convention in Chicago, 1925**" (Turner, 1931, p. 177); BJ Palmer appealed to Morris to support the **NCM**, which "**Morris** heard could be made for thirty dollars, could not be forced upon the profession at a figure so exorbitant as to be commensurate with an interest of 7,000 percent...**Morris** addressed the delegates, enunciated again the principles which condemned the nerve-tester, and tendered his resignation as chief counsel of the association. Dr. **Palmer** followed with his resignation as secretary...**Morris** was reinstated. The office of the association was moved from **Palmer School** to the suite occupied by the attorney in LaCrosse, Wisconsin" (Turner, 1931, pp. 179-80)

1925: "In 1924, **BJ** made a trip around the world. While the cat was away, the mice got their heads together into a conspiracy. They resented that firm and deliberate hand which had held them to objectives for 20 years; they rebelled against him who would not let them put their hands into its exchequer and take its monies for personal use; they schemed against him who took power from the Board of Directors who wanted to hold semi-annual beer and booze parties at its expense, running into thousands of dollars. The objectives of the **UCA** did not include loot for its elected officers.

"When **BJ** returned, the skids were greased. **BJ** was to go. Rather than be forced out, BJ took the hemlock and resigned.

**Tom Morris** was competent legally to run The **UCA**, but he was not competent Chiropractically. **Tom Morris** assumed the legal reins and tried to carry both sides on. Plots were laid against him, for he, too, had spent 20 years in building up its objectives into a successful organization for the right of the sick to get well with Chiropractic. He defeated them fairly well, but they eventually got him...." (Palmer, 1931a, p. 5)

1926 (Apr): *Bulletin of the ACA* [3(4)] notes:

-George A Stolze DC of Wheeling WV writes to **BA Sauer** DC re: recent remarks by Jim **Greggerson** of the **UCA** re: "the **UCA** legal machinery was powerless without the guidance of **Tom Morris** and that if for any reason **Tom Morris** should no longer be with the **UCA**, there was not a person in that organization capable of taking his place." (p. 11)

1926 (Dec 11): CE **Schillig** DC is new president of **UCA**, Dr. **Ashworth** is VP, according to a letter from Douglas R Morris DC, Sec'y-Treas of **UCA** (son of **Tom Morris**?). Dr. **Morris** request that Dr. **Ashworth** attend semi-annual **UCA** board meeting in LaCrosse to discuss **amalgamation with ACA**; Dr. Morris is apparently the son of **Tom Morris**, attorney and **UCA** chief counsel (Ashworth papers-CCC/KC)

1927 (March): *Supplement to the Bulletin of the ACA* [4(2)]: **ACA Amalgamation Committee**, comprised of Frank R **Margetts**, Paul H **Strand** and **BA Sauer**, indicate that the difficulties involved in merger have partly to do with the fact that the **ACA** offers more services than the **UCA**, such as legislative initiatives and public lectures, while the **UCA** limits its services to legal protection for DCs; **ACA** also indicates that **UCA** has not been negotiating in good faith, and has been more interested in collecting information about the **ACA** than in planning for merger; they issue the following statements:

#### AMALGAMATION FACTS

"Amalgamation seems to have failed for the present. Practically all of the membership of the **ACA** and probably most of the **UCA** favored it. Why did it fail? The profession expects an answer, and should be told.

"Mr. **Morris** has made a statement on the subject, which seems to make desirable an additional statement from the **ACA**.

#### All Amalgamation Initiative by ACA

"How thoroughly committed to amalgamation the **ACA** and its officers have been is shown by the fact that it has taken the initiative in every move that has been made for it.

"Dr. **Margetts** was the originator of the movement. He talked it in chiropractors' meetings all over the country. Then influential chiropractors took it up.

"Dr. **Margetts** took a special trip to Omaha, where Mr. Morris was trying a case, to see him and if possible win him to the idea.

#### Mr. Morris Pessimistic on Subject

"Mr. **Morris** was pessimistic as to it. He stated the idea of getting the profession together was purely a dream and could never be anything else. Dr. **Margetts** argued the advantages and asked if he could quote Mr. **Morris** as favoring amalgamation. The latter said, No, that he had a following in the profession, and he did not want to jeopardize it by being quoted as favoring anything they might not want. He finally consented, it might be stated, that, if the **UCA** wanted it, it was alright with him.

"Dr. **Margetts** told Mr. **Morris** that Dr. Paul **Strand** and himself were willing to meet with Mr. **Morris** and Dr. **Lundy**, at Milwaukee, some Sunday, to see if something could be planned for submission to the boards and memberships. Mr. **Morris** was to see Dr. **Lundy** and have him notify Dr. **Margetts**. The latter did not hear from them.

#### ACA Convention for IT

"Next we set apart at our 1926 annual Convention a whole afternoon and evening for amalgamation consideration by the whole profession, and sent special invitations to the **UCA** officers, and guaranteed an impartial and courteous meeting. None came.

"Our Convention unanimously selected a committee of seven, giving them power to act in the matter with a like committee to be named by the **UCA**.

#### UCA Action Evasive

"A similar resolution was offered in the **UCA** Convention. After conference by some of the **UCA** leaders with the **mover**, it was withdrawn. That resolution, if passed, would probably have resulted in amalgamation. Their Convention left it to their directors, they, in turn, passed it up to Mr. **Morris** and Dr. **Schillig**, with no power to do anything except find out all they could about the **ACA**, for purposes best known to themselves.

"They allowed about six weeks to elapse before they even advised us of the action of the Convention and directors.

#### Pigeon Holed by the UCA

"Mr. **Morris** and Dr. **Schillig** met with our committee November 9th. We gave them written proposals, which they agreed they would submit at once to the members of their Board, and without delay advise us of their views. More than three months have elapsed and we have no word from them.

#### Why Amalgamation Failed

"We believe amalgamation has failed because some of the **UCA** leaders do not want it. Some of the proof:

1. Their repeated procrastination in the matter.
2. Their effecting at their Convention the withdrawal of the amalgamation resolution similar to that of the **ACA** appointing a committee with power to act.
3. Their Board, having been given power to act, failing to meet with the **ACA** committee, which also had power to act, but

instead passing the matter over to a sub-committee composed of Mr. **Morris** and Dr. **Schillig**, and withholding from it any power to do anything except find out what they could about their competitor, the **ACA**....

1927 (Nov): *Bulletin of the ACA* [4(6)] notes:

-**Tom Morris**, UCA Counsel, is unsuccessful in trial in NC of RM Cox DC and EL Cox for negligence (p. 21)

1928 (Sept 17): **Tom Morris** dies, funeral is held in NYC (Turner, 1931, p. 180, 288-9)

1928 (Sept): *The Chiropractor* prints "The Passing of **Tom Morris**" with photo of Mr. Morris (page number??):

"It is with much regret that we inform our readers of the sudden death of Tom Morris who for twenty-five years was associated intimately with Chiropractic, being during that time General counsel of the **UCA**. He was probably one of the best known men in Chiropractic and was a brilliant attorney. His death coming only a few months after that of his former partner, Fred H. **Hartwell**, who was attorney for the **CHB**, is doubly tragic.

"Mr. **Morris** was from Wisconsin and had received signal political honors from the voters of that state. The following article concerning his death is taken from "The Chicago Tribune" of September 18, 1928.

"New York, Sept. 17. - (Special) - Thomas S. **Morris**, former lieutenant governor of Wisconsin and long a political power in that state, died suddenly of acute indigestion here today. He was sixty years old.

"The body will be taken back to LaCrosse, Wis., the **Morris** home, for burial.

"Mr **Morris** was long a political associate of United States Senator 'Battling Bob' LaFollette. Twenty-five years ago he was rated as one of the triumvirate with LaFollette which ran Republican politics of the state.

"He served as speaker of the state senate for two terms, was a member of the state board of university regents at one time and held a number of other state offices.

"Since his retirement from active politics, some ten years ago, he had devoted himself to the practice of law, being a member at the time of his death of the law firm of Morris, Winter and Holmes of LaCrosse. Among the firm's clients was the **Universal Chiropractors' Association**.

"Mr. **Morris** died at the home of a friend, Joseph P. O'Donnell, on Riverside drive. He is survived by his widow and seven children."

1928: "**Tom Morris Sr.**, former lieutenant governor of Wisconsin, for the last twenty-five years of his life was general counsel for the Universal Chiropractors' Association. His son, **Thomas Morris, of Los Angeles**, has recently been appointed general counsel for the **California Chiropractic Association**, and local counsel for the **National Chiropractic Association**" (Turner, 1931, p. 289); wrong, he died 9/17/28

1928 (Oct): *Bulletin of the ACA* [5(5)] notes:

-obituary for **Tom Morris**:

"Honorable **Tom Morris**, Chief Counsel of the **UCA**, passed away suddenly and unexpectedly at the home of his daughter, Mrs. Joseph R O'Donnell, in New York City, on September 17th. It is reported that death followed an attack of acute indigestion. Mr. **Morris**, who was known throughout the Chiropractic profession as "**Tom**," had been Chief Counsel for the **UCA** for about twenty-five years, and at the time of his death was also Business Manager of that organization. The

sudden passing of Mr. **Morris**, following but by a few months that of Mr. **Hartwell**, who at one time was associated with Mr. **Morris** and who, at the time of his death, was Chief Counsel for the **CHB**, takes from the Chiropractic ranks two men who grew up with Chiropractic; two men who contributed much towards winning Chiropractic's legal battles, especially during the infancy of the profession. At the age of sixty Mr. **Morris**' death must be considered as very untimely.

"Our sincere sympathy is extended to the family of Mr. **Morris**, his business associates and friends, and those who depended so strongly upon his legal ability." (p. 15)

1928 (Nov 10): FHN [XVI(7), AC32, cover page]; BJ authors:

"TOM' IS DEAD

"Tom Morris passed away at 2 o'clock a.m. on Sept 17th, 1928, in New York City.

"This sad news was flashed to us by wire that day. It came like a thunderbolt out of a clear sky.

"Tom was one of the very few real, genuine friends that I have ever had. For twenty years we palled, traveled, chatted, chinned, early and late; here and there. For twenty years we were as brothers. We knew each others intimate secrets. 'Tis a blow to lose one that close.

"For twenty years we had been close, intimate business friends. Fred Hartwell, Tom Morris and myself were the triange that started to, and did, build The UCA up to its pinnacle. Fred faded out of the picture after many years of faithful service. Tom stayed in The UCA to the very end. He was one of the four best friends Chiropractic ever had. Fred was an other.

"Tom gave up a glorious future in politics, a future in building up a private law business, to take on the cares, worries, troubles, vicissitudes of travel, to assume the problems of helping Chiropractic to grow and live. He directed the campaigns, assisted and counselled with and helped put Chiropractic where it is. He was the friend to all with whom he counselled and those who counselled with him. He laid aside a great future as a brilliant lawyer, to spend all those talents in favor of Chiropractic. He died in harness on the job.

"Circumstances over which seemingly neither he nor I had any control, separated us a few years ago. We were both the victims of false and traitorous friends. He went his way, I went mine. He remained with The UCA. Our friends formed The CHB. Never did my friendship nor loyalty to Tom waver. Never did Tom's friendship or loyalty to me waver. That which was rooted after twenty years could not be dug up in twenty days. Never have I ever heard of Tom saying an unkind word about his friendship for B.J. Nobody has ever heard me saying aught but the kindest for my friend Tom, whether it be in public groups or by private conversation. Ours was a mutual, carrying on, friendship of understanding after twenty years of knowing each other thoroly.

"Chiropractic could not have been where it is today, had it not been for the first twenty years of The UCA - the result of study and application of that original trio - Fred, Tom and BJ. First Fred passed out of the picture. Now it is Tom gone. Tom devoted the best years of his life working for Chiropractic. The Chiropractor was a passing issue in the equation to Tom. The TOR was merely a means to an end. TOM never lost sight of the great objective - the right of the sick to get well!

"Frank Elliott was in New York City at the time of Tom's death, so I wired him to call and convey our sympathies. The next day I received this wire from Frank:

"B.J. PALMER

Sept. 18, 1928

"DAVENPORT, IOWA

"TELEGRAM RECEIVED. JUST RETURNED FROM O'DONNELLS WHERE TOM REMAINS TILL PAUL ARRIVES TOMORROW. TO BE RETURNED TO LACROSSE

WISCONSIN FOR BURIAL. I EXTENDED REGRETS.  
ANOTHER CHIROPRACTIC DEFENDER GONE

FRANK W. ELLIOTT

"Every Chiropractor in the world has lost a friend. I have lost what cannot be replaced - an understanding friend.

"Tom Morris is dead! Long live Tom Morris! -- BJ"

1931 (Feb): *CCA Bulletin* (1[11]) includes:

-notes that Thomas Morris Jr. is general counsel for the CCA, had peripheral role in battle against **Humason** and CA **BCE** (pp. 11, 14)

1931 (Feb): **BJ** discusses **ACA/UCA** merger in *FHN*; notes "The former Chairman of the Board of Directors of the **ACA** who is now Chairman of the Board of Directors, told me that the **ACA** had never tried out a case of mal-practice on its merits. Will the former **ACA** members reverse its policy now?"; (1931 [Feb]; 18(3); Turner, 1931, pp. 193-5):

"The **ACA-UCA** Union - What Does It Mean?...The **ACA**, therefore, was born of opposition to the **UCA** and all it stood for. It was a playground for mixers who wanted the fruit of *Chiropractic* without earning the right to *Chiropractic* by helping to sustain it...Overtures were made to me, when **UCA** Secretary, to unite them. It was impossible. The **UCA** was (*then*) serving *Chiropractic*, the **ACA** was serving Chiropractors. When I passed out of the picture, overtures were made to **Tom Morris**. It was still impossible....I restate now...what I have told the officers of the **ICC** from the beginning, and annually ever since...that the **ICC** *would live* if it set forth, adhered to and deliberately maintained Chiropractic objectives..." (Palmer, 1931a)

-**BJ** notes of **AT Holmes** that "this man trained under **Tom Morris**. When Mr. **Morris** passed on, this man began to play the path of least resistance...He was not a leader..." (Palmer, 1931a, p. 10)

C.O. Watkins, D.C.

1931 (Dec); *CCA Bulletin* (1[3]) includes:

-law suit:

"Mr. **George G. Rinier**, Chief Counsel for the **Chiropractic Health Bureau**, recently defending the 'Martyn X-Ray Chiropractors' in a malpractice case. Mr. **Tom Morris**, Attorney; of Los Angeles, served as local counsel in the trial of the case which was continued into December." (p. 3)

1938 (Nov): **Lee W. Edwards** MD, DC publishes "How far we have come? A pioneer looks back through the years" in *The Chiropractic Journal* [NCA 1938 (Nov); 7(11):11-2]; credits **Tom Morris** with formulating "a philosophy and science of Chiropractic in order that he might" win acquittal in the **Morikubo** case
